

**ACTION ALERT: The Wisconsin Opportunity Act**

Your action is needed in the Wisconsin Legislature

Call your State Senator and urge them to co-sponsor the Wisconsin Opportunity Act (LRB 0891).

- Describe how poverty impacts your area and what your community is doing to address it;
- Explain how WOA would provide meaningful policies and investments to reduce poverty and fundamentally improve people's economic circumstances;
- Relay that WOA is the result of extensive consultation with stakeholders and local communities and features fundamentally sound practices for improving the lives of low and moderate-income households across the state, in rural and urban areas alike.

Your State Senators' contact information can be found at: <https://legis.wisconsin.gov/>
